**2017 Ohio 4-H Foundation Board of Trustees**

Dear Sir or Madam,

As the Ohio 4-H Foundation Manager, I have had the pleasure of working with Emma Newell for the past two years. A present and enthusiastic board member, Emma strives to contribute to all board meetings in a way that is meaningful. From attending the 4-H Global Summit, to being selected to serve as a Youth Advisory Member of the National 4-H Council, Emma is fully engaged in promoting 4-H across the state of Ohio and the country.

At the Spring Ohio 4-H Foundation Board Dinner, Emma was asked to share with the Board, Ohio State University Extension Cabinet Leadership and new Extension Educators how 4-H has impacted her life. The following day, several new Extension Educators who were present at the dinner identified her presentation as the highlight of their time at their retreat and that learning about the impact 4-H can have on teens was something they would carry with them through their careers.

As a board member she never hesitates to volunteer her time or her ideas to the greater good of the organization. She reminds those around her that 4-H in Ohio is succeeding at growing true leaders, and for this, I give Emma my highest recommendation.

Please feel free to contact me if you have any question about this exceptional young person.

Sincerely,

Beth Frey  
Manager, Ohio 4-H Foundation
